

Services for New & Expanding Business

In addition to assisting companies with basic job posting needs, the CBE can also assist your business to meet recruiting needs associated with filling large numbers of available positions. Adequate pre-notification and a signed recruitment agreement to post positions in Employ Florida Marketplace and share hiring information are required. These services are designed to provide short-term, ramp-up support and include:

A. One-Stop Recruitment Events:

Allows businesses to meet directly with individuals seeking employment at one or more One-Stop locations in Volusia and Flagler Counties.

To participate, businesses must recruit for five or more positions with one or more active job orders registered in Employ Florida Marketplace – www.employflorida.com. Businesses must guarantee the legal minimal wage per hour mandated by the state of Florida. A choice of three One-Stop locations is available. Due to space limitations, registration for recruitment space requires a **minimum of one week pre-notification**.

All hiring information related to the positions offered must be shared with the CBE. All businesses must come prepared with adequate amount of staff, applications and other necessary recruitment tools.

Note: Due to space constraints, a large number of job opportunities requiring minimal or no experience may need to be arranged at a location other than a One-Stop Employment Centers.

B. Mass Hiring Event:

Available to businesses hiring 50 or more positions.

Depending upon the scope of your needs, service may include assistance with locating an appropriate area facility for recruitment, advertising assistance, a registration system for interested job seekers, computer lab with internet capability for applicant screening use and staff support to assist your representatives at the event. Cost-sharing for advertising and facility space and staff may be required. Service requires a minimum of **three weeks pre-notification** depending upon the scope of the project and facility availability. To participate, a majority of positions offered must be posted and active in Employ Florida Marketplace and all hiring information related to the positions offered must be shared with the CBE.

Because every business recruitment need is unique, please contact us for assistance in planning your recruitment effort.
